

INSTRUCTIONS

NOTE: THIS CART, BY CONSIGNMENT OF SERIAL NUMBER, IS ASSIGNED TO THIS ADDRESS. THE CART IS AN AUDITED ASSET THAT BELONGS TO MONROE COUNTY AND SHALL REMAIN AT THIS ADDRESS NO MATTER THE OCCUPANT. DESTRUCTION OR THEFT SHALL BE CONSIDERED A CRIMINAL OFFENSE.

This cart was delivered and placed where we would like for you to position it on collection day.

The goal is to place the cart approximately five (5) feet from the nearest public road without blocking the mail box. If this is not possible, please use a "common sense" approach and put the cart in a location that is safe, stable and accessible.

Within 30 days after receiving this Cart all roadside bins, barrels or other garbage storage structures must be cleaned and removed. Failure to do so may result in a citation for violating the Monroe County Solid Waste Ordinance.

Rules:

- Garbage shall be bagged before being placed in the cart and the accumulated weight of all materials in the cart shall not exceed 200 pounds.
- Loose garbage will not be picked up. Loose garbage is a disease and injury risk to our collection personnel, impedes productivity and creates litter that can easily become airborne.
- Over-flow bags or boxes that will not go into the container will be picked up. Bags may be placed in other plastic containers to protect the garbage from animals.
- An additional cart may be provided for an additional charge per month. Call the number at the bottom of this notice for further information.
- Monroe County will dump other roll-out commercial carts provided by the resident but under no circumstances shall Monroe County be responsible for damage caused by mechanically dumping these containers.
- Waste such as sofas, mattresses, recliners, appliances and other bulky waste shall be collected on a "call in" basis.
